Township full steam on area drainage

by GLORIA DAVIS

According to Antioch Township Supervisor Jim Fields, the township is pushing ahead on solving the ground water and drainage problems of its subdivisions.

At its last regular meeting on Sept. 13, the township board approved the payment of approximately half of the total cost of draining Felters Subdivision, \$50,792.

The payment went to J&H Associates, the project's contractors. The total cost of that subdivision's drainage project will be \$102,000.

Fields said that J&H expects to finish the project in approximately four weeks.

On Aug. 24, the township board received approval from the Lake County Community

Development Committee to go ahead with the drainage of Moreley's Subdivision.

In this vein, the other important move the board made at its monthly meeting was to approve the spending of no more than \$7,500 on an engineering study concerning the drainage, not only of Moreley's, but also of the Grandview, California Ice and Coal and Woodcrest Subdivisions.

Fields said that the township will be paying for the study, and since it will be cheaper to have the study of all four subdivisions done at once rather than one by one, it was decided to go ahead with a multiple study.

Fields added that he thought that there would just about be enough money coming from the Community Development Block Grant Fund to drain all four subdivisions.

It's on Antioch's mind

The people in Antioch are not talking about the nuclear freeze; they are talking about how glad they'll be when the street construction on North Ave. and Lake St. is finished.

The people in Antioch are interested in proposed peace talks but they seem to be more concerned with the teacher negotiations going on at Antioch High School.

The people in Antioch may be slightly interested in whether or not Chicago will be the site of the next world's fair but today they are more interested in whether or not the Chicago Cubs will win the National League pennant.

The Republican's in Antioch want to see Ronald Reagan back in the White House but this weekend they were more involved with seeing that Jim Fields stays on the Lake County Board.

The people in Antioch are watching the state of the national economy but they are more intrigued with the new face in the front office of the State Bank.

The people in Antioch watched the Miss America Contest on tv but they would rather have seen the Mr. ACHS contest due to be part of the high school's homecoming celebration the first week in October.

Some of Antioch's people might follow the price of pork bellies on the stock market but more locals are looking forward to the Rotary Pork Chop Barbeque at the VFW Hall on Sept. 29.

Good news in The News

Marriage Enrichment

Faith Evangelical Lutheran Church in Antioch will be showing a series of four films entitled "Marriage Enrichment Through Communication," produced by Fred Matzke and the staff of Wisconsin Lutheran Child and Family Service in Milwaukee.

The series of films will be shown on Sept. 23 and 30 and Oct. 7 and 14, from 7-8:30 p.m., with pauses for discussion built into the films.

Then on Oct. 21, at 7 p.m., there will be a Marriage Vow Renewal Service. The church is located on Rte. 83 in Antioch, two blocks south of the intersection of Rtes. 173 and 83. All married couples or soon-to-be married couples are invited. There is no cost, but a free-will offering will be taken to help defray the rental of the film.

Faith Evangelical Lutheran Church in Antioch has begun conducting worship services on Saturday evenings at 7 p.m. The services contain basically the same hymns, readings and sermon as the following Sunday morning. The services will run at least through September, October and November. At that time, the voters of Faith will decide whether or not to continue these services. All are invited to come and worship with us.

Wisconsin arrests two Antioch men

The Kenosha County Dist. Attorney's office issued nine warrants, including 17 felony charges, for residents in five neighboring counties.

Most recently arrested were: Martin J. Reading, Wheeling; Paul E. Crawford, Antioch; Phillip Kaht, Antioch; Frank J. Jiran, Fox Lake; Bonnie Pinkonsky, McHenry; John Annessi, Trevor; Helen Miller, Trevor; and Mark Etzelmueller, Kenosha.

The most recent arrests by the narcotics, vice and organized crime bureau of the Kenosha County Sheriff's Dept. bring the total number of drug related arrests to 72, while handling a total of 275 related complaints since its inception in November.

The narcotics bureau credits the cooperation of the residents of Kenosha City and County and surrounding law enforcement agencies for its continued success.

Hope Knolls drainage can be solved amiably

by GLORIA DAVIS

"At this point we still feel that the problem of the damage done to Cross Lake and property in Oakwood Knolls by water draining into the area from across the state line can be settled amiably," said Mike Smith, president of the Oakwood Knolls Property Owners Assn..

That was said after a meeting of 50 concerned Oakwood Knolls residents, mostly those living right on the lake, which was held at the Antioch Village Hall on Sept. 12.

Besides concerned residents, State Rep. Robert Churchill (R-Lake Villa), David Beno, of the Illinois Environmental Protection Agency (EPA) and Steven Moyland, aquatic biologist of the division of environmental health of the Lake County Board of Health were present at the discussion meeting.

Churchill was there early talking to the EPA representative and taking down facts and figures, but had to leave for another meeting.

State Sen. Adeline Geo-Karis has also shown interest in the problem and was primarily responsible for the berm being built on the Wisconsin property where the drainage water comes from.

The meeting was made up of discussion points as to the alternatives available in working towards a solution of the problem

that came to the fore on July 4, when water draining from land leased by Woody Kelly from the Benedictine Abbey ran into Cross Lake and across the yards of many knolls' residents.

The additional sediment and clouding of the lake has raised a concern that the lake has possibly been polluted by the drainage.

The health department will be taking water and sediment samples to help determine the answer to that question.

Depending on the outcome of that testing, the EPA might then go into action.

The content of the meeting will be brought to the next regular property owners association meeting, set for Wednesday, Sept. 26, before any action will be taken by the association.

Salem township claims that the contractor that dumped the fill onto the Abbey's property is responsible for any problems arising from said dumping.

According to Smith, that dumping filled in a low spot changing the water flow and the contractor dredged a swale with a bulldozer causing the water to drain towards Cross Lake.

It is expected that negotiations between the property owners association, Salem Township, the sewer contractor and Kelly will take place and the problem solved as easily and quickly as possible.

Moose Women plan October Christmas

The Women of the Moose publicity chapter night program was held on Sept. 6 and was attended by 41 co-workers. For the evening entertainment, College of Regents Chairman, Judith Kelly, narrated a skit depicting the chapter life of a co-worker of the Women of the Moose.

Karen Bates, publicity chairman, was escorted to Senior Regent Peggy Learmont's station where Chairman Bates introduced the members of her committee attending. Two checks were presented on behalf of the committee as donations to be sent to Mooseheart Headquarters.

Two candidates were enrolled in chairman Bates' honor: Cathy Schaefer, sponsored by Mavis Dingsdale and Pearl Francais, sponsored by Veronica Gahlbeck.

A favorable ballot on four new candidates was held and Senior Regent Learmont gave up-coming events, reminding all members

that the business meeting for September would be held Sept. 27 due to conflicting dates with the state annual convention being held in Peoria.

October highlights: Meetings: October 4, Chapter Night with Christmas in October for the children and the aged at Moosehaven and the business meeting Oct. 18.

On Oct. 14, Sunday there will be a pumpkin carving contest and paint party sponsored by library committee.

"Fall into Fashion" will be held on Oct. 18, sponsored by the College of Regents committee in conjunction with Gibbs & Jensen of Carousel fashions.

The Ock-Polish-Fest, scheduled for October, has been postponed until March 2, 1985.

Two Loyal Order of Moose dates were announced, the "Bubbly Breakfast," Oct. 14 and Oct. 27 Halloween party.

The first pretzels it is said were made by monks in southern Europe as a reward for children who learned their prayers.

ACHS offers seniors passes

Antioch Community High School, Dist. 117, invites district residents who qualify to make application for Senior Citizen Lifetime passes.

The pass entitles the holder of the pass to complimentary admission to all home activities and programs sponsored by the high school. The practice was begun in 1969. To date, 470 passes have been given out, including 26 issued during the 1983-84 school year.

Any resident of Antioch Community High School, Dist. 117, who's 62 years of age or older, may obtain a

pass. Those interested in applying for the Senior Citizen Lifetime Pass should write or call Antioch Community High School, Dist. 117, 1133 S. Main St., Antioch 60002, attention Superintendent, or telephone (312) 395-1421. Passes may be applied for in person at the general office of the high school or any regular school day from 8 a.m. to 4 p.m.

Senior citizens are invited to eat lunch at the adult prevailing price in the high school cafeteria any day students are in attendance. Lunch is served from 10:50 a.m. to 1:15 p.m.

Blood Check

Free blood pressure screening will be offered to the public on Thursday, Sept. 20, at St. Therese Area Trauma Satellite (STATS), located on Rte. 59, just south of Grand Ave. in Lake Villa. No registration is required, just stop by between 11 a.m. until 4 p.m.

The medical term for high blood pressure is "hypertension." Left untreated, high blood pressure increases the risk of premature illness or death from coronary heart disease, stroke, and heart or kidney failure.

Nursing Services

The Lake County Health Dept. Nursing Division offers several programs at no charge to eligible Lake County residents.

Child Health Conferences, or Well-baby Clinics, are held each month in Zion, North Chicago, Round Lake and Waukegan.

Parents who wish to bring their children must call (312) 689-6715 for an appointment.

The Prenatal Clinic offers medical care and health education during pregnancy and delivery to qualified low-income women. For an appointment call (312) 689-6715.

Saving money by using less gas.

THE UNHANDYMAN'S GUIDE TO WRAPPING YOUR WATER HEATER.

Today, one of the best ways to save money is to make sure your home is as energy efficient as possible, so you use less energy.

Wrapping your water heater with insulating materials is one of the quickest ways to reduce your use of gas, especially if it's located in an unheated area.

WHY YOU SHOULD DO IT.

With just an hour of your time and a kit usually costing less than \$20, you can cut your annual water heating usage up to 10% by wrapping your water heater. Since heating water is the second largest use of gas energy in your home, bundling up your water heater could pay for itself in less than two years.

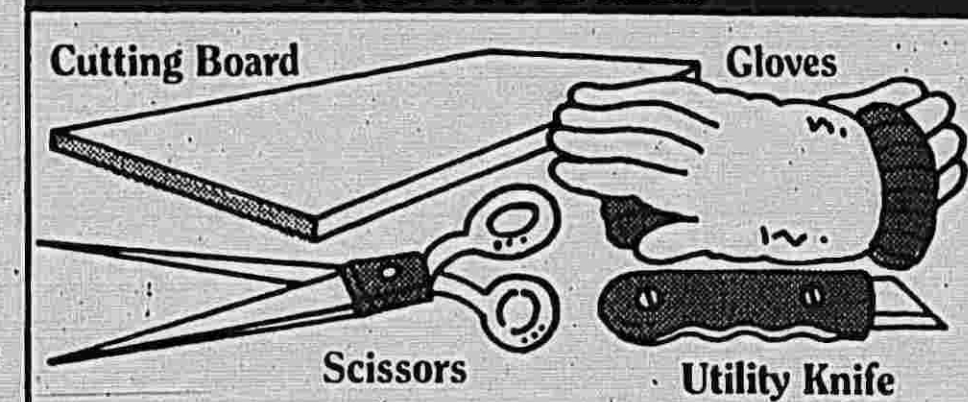

Here's an easy way to see if your water tank is costing you money. Give your tank the touch test. If your water tank feels warm when you touch its sides, you should consider insulating it, especially if it's located in an unheated area of your house.

HOW TO DO IT.

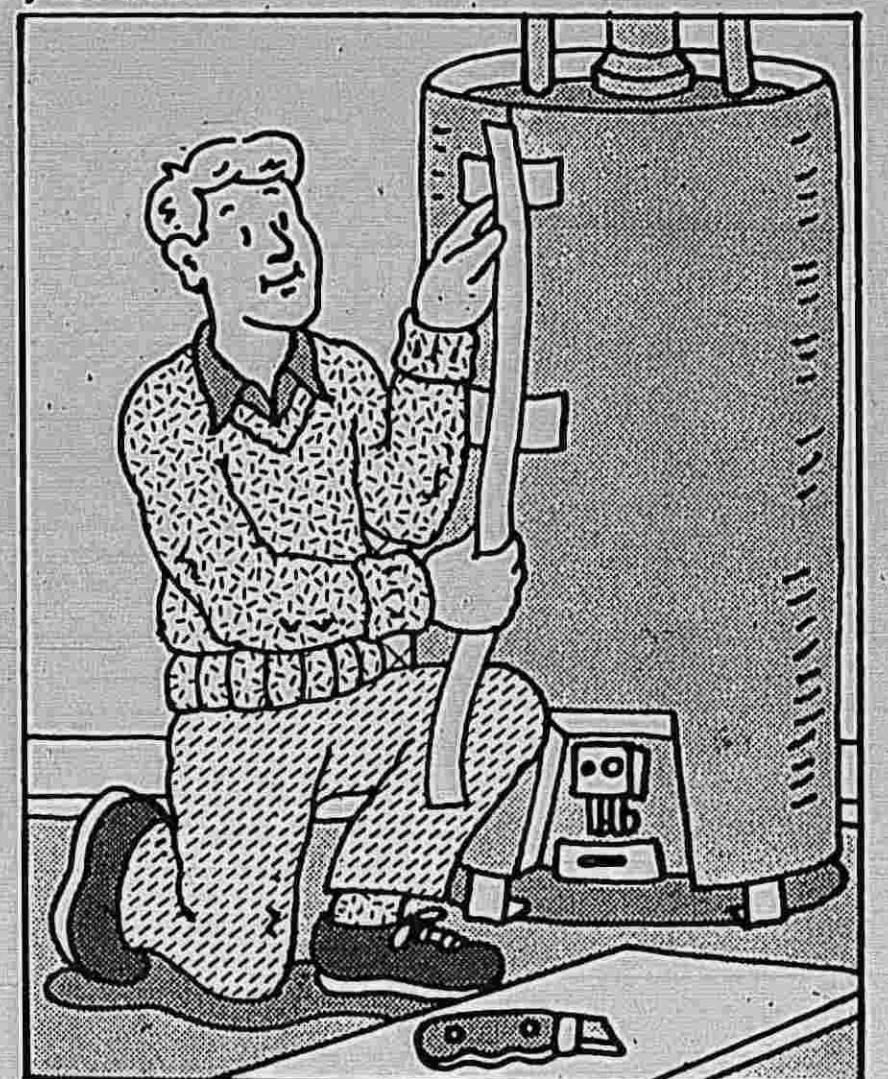

Water heater insulation kits are available at most hardware stores. Kits usually include a vinyl-faced fiberglass blanket, tape, and complete, step-by-step instructions that are easy to follow. CAUTION: Do not insulate the top or bottom of your gas water heater. At the top, you may interfere with the draft diverter on the flue.

TOOLS YOU'LL NEED

At the bottom, you may cut off the air supply.

When working with fiberglass, be sure to wear long sleeves and gloves, to prevent skin irritation. You can usually cut the blanket with a large scissors. If you use a utility knife, be sure to do your cutting on a board to avoid damaging your floor.

MAKE THIS A HOT PROJECT.

Unlike some energy saving home improvements, wrapping your water heater will save you money all year long.

So don't delay. Get to work soon, and start saving soon!

PARING TEETH FOR CROWNS

Question:

Is it true that a tooth must be cut down to a small point in order to be covered by a crown?

Answer:

This is a popular misconception. Crowns and other replacements are constructed to restore the basic shape of a tooth. The dentist does reduce the size of the tooth, but only enough to be able to fit a crown over it so the finished restoration retains the rounded contours of the natural tooth which protect the health of the gums. That roundness or bulge deflects food and helps to recirculate it while chewing.

The widest portion of the prepared natural tooth is at, or just below, the gumline. The tooth is tapered upward into the mouth in a way that permits the new crown to fit over the tooth passively and restore contours like those of the full, natural tooth.

State Bank welcomes new vice president

On behalf of the board of directors of the State Bank of Antioch, William E. Brook, board chairman, is pleased to announce the appointment of Randolph S. Miles to the position of vice president and director of the bank.

Miles brings to the State Bank of Antioch his years of community banking experience as part-owner, with his father Edward H. Miles, of First Illinois National Bank of Savanna, Ill. a family-owned business since 1969.

Before joining the State Bank staff, his areas of responsibility as vice president and director at First Illinois included lending, operations and personnel management. His efforts will be concentrated in those areas at the State Bank.

He is a graduate of the University of Dubuque, Iowa with a bachelor of science degree. His continued education in banking includes American Bankers Assn. School of Banking, Norman, Okla. He is a graduate of Illinois Bankers Assn. Executive Graduate School of Banking at Urbana.

Miles is currently an active member of the Savanna Chamber of Commerce, a director of the Savanna Rotary Club, and president of the Carroll County Development Corp. He plans to apply for membership in several Antioch civic organizations.

His hobbies and interests include golf, fishing, hunting and boating. He is a licensed pilot with an instrument rating.

Miles and his wife, Jane, with children, Charlie, 6, and Audra, 5, will be settled in their new residence in Antioch by late September.

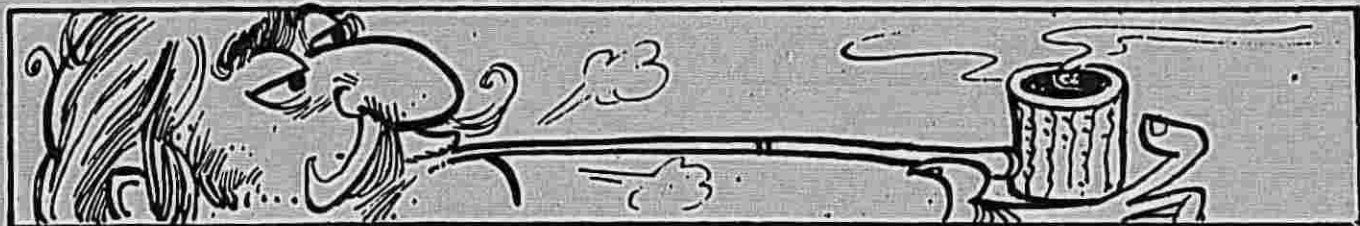

He and Jane are currently members of the

Community Church of Savanna and St. Mary's Catholic Church, respectively.

Randolph S. Miles

Both have a music background and Jane, in particular, is experienced in community theatre musicals, having performed the leading female role in "Oklahoma" and other productions. She plans an active interest in Antioch's own Palette, Masque and Lyre theatre, now entering its 24th season.

Cornucop pipes were first commercially manufactured in Montana in 1869.

Dedicate senior's flag

Sequoit VFW Post 4551 of Antioch dedicated a flag on Sept. 9 to the Oak Ridge Senior Citizens Village.

Commander Robert Klug delivered the eulogy. Sr. Vice commander Sam Condella, community chairman, co-ordinated the event.

The colors were posted by Jr. Vice commander Bob Lehner and officer of the day, Joe O'Donnell and Comrade Ed Gendriss was acting chaplain.

The presentation chairman was comrade Ken Stankas. Other comrades in attendance were Steve Sterakis and Adam Wojak.

Representing the ladies auxiliary were President Sarah Klug, Sr. Vice President Elaine O'Donnell and Sisters Vera Condell and Betty Orr.

Dignitaries in attendance were Senator Gerakaris who donated the state flag, Mayor Ray Loft, Jim Fields, Antioch Township supervisor and Gordon Kowing, vice president Madsen Corp. who is the managing agent for Oakridge Village.

Following the ceremony, the senior citizens of Oak Ridge Village held an ice cream social for all in the attendance.

No cake at AARP

The Antioch Area Chapter 387 of the American Assn. of Retired Persons (AARP) met on Sept. 11 for a "Back to School" session, with President Bob Ullrich as a "Teacher".

This first meeting was very interesting as we had State Rep. Robert Churchill (R-Lake Villa) as guest speaker. He discussed various items in state legislation.

A booklet on the coming events of the year was distributed to everyone.

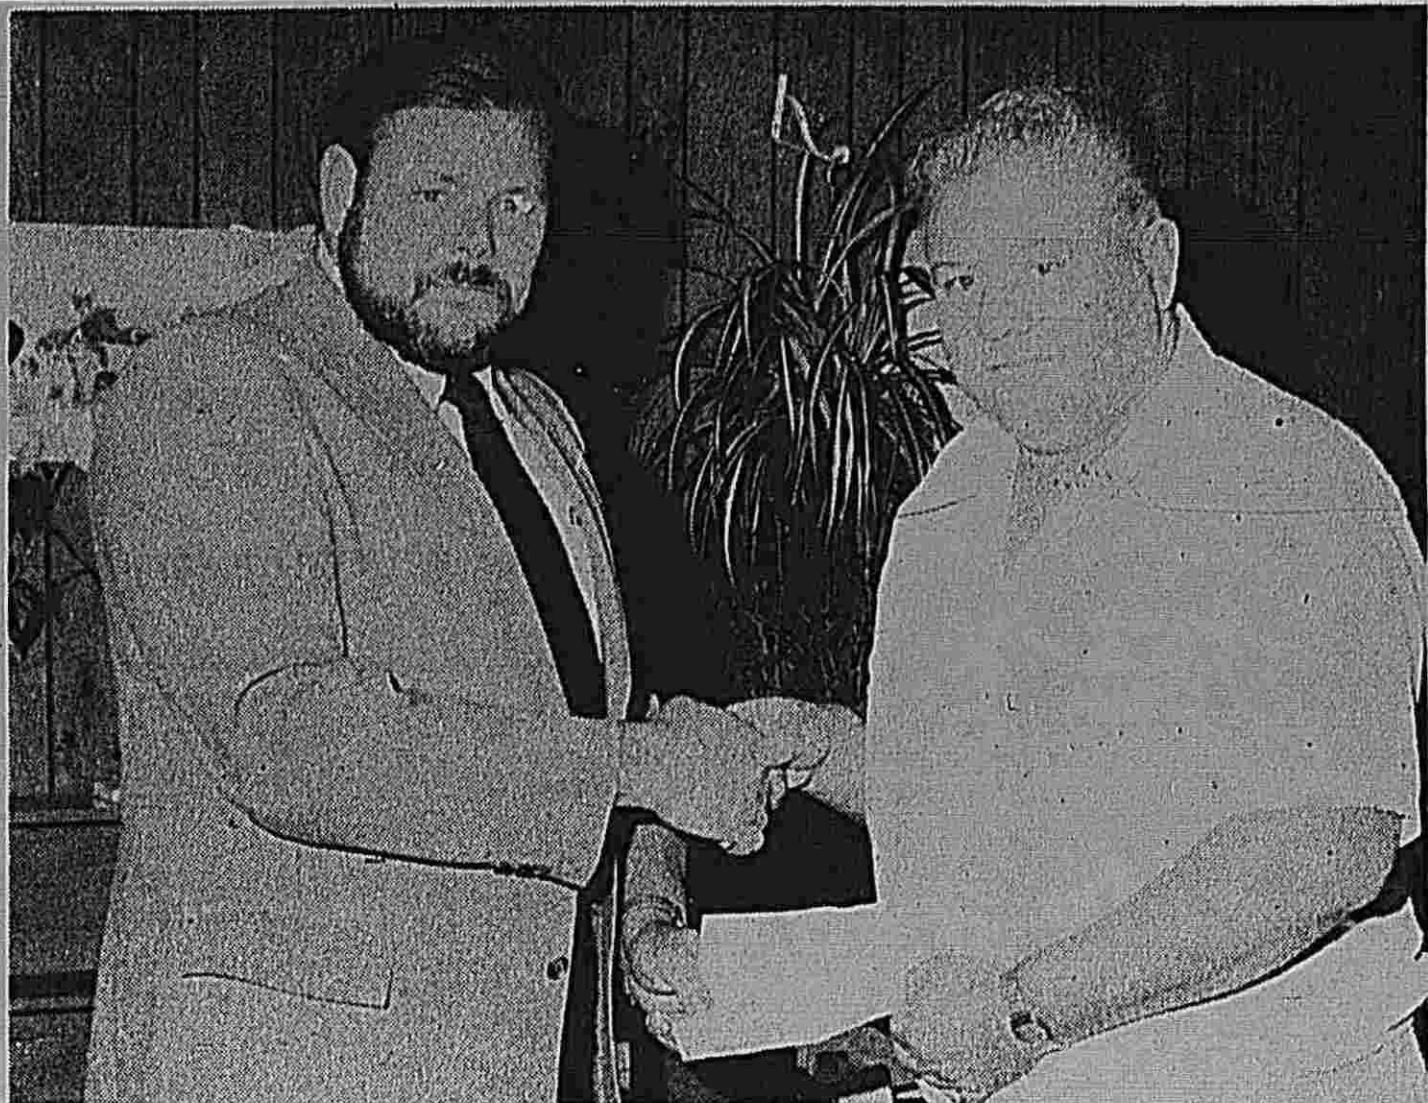

The next meeting will be on Sept. 25. It will be a brown bag lunch, with coffee being served. At this meeting there will be no cake!

Bob Ruggles guilty but mentally ill

Robert Ruggles, 48, Antioch electrical contractor, faces from six to 30 years in prison after a Lake County jury found him guilty but mentally ill of attempting to murder his father-in-law John Misek.

The trial took five days in front of Lake County Judge Fred Geiger. The jury deliberated for three hours before returning with the verdict.

Ruggles shot Misek a year ago, accusing him of causing his marriage to break-up.

The most important testimony in the trial concerning the change in Ruggles' personality since suffering a stroke two years ago came from psychiatrists and Antioch Police Chief Charles Miller and Lt. Thomas Fisher.

Ruggles is due to be sentenced by Geiger on Friday, Oct. 1.

Dodano set for fit classes

Liz Dodano of Antioch, a Feelin' Fit instructor, will offer a new program at the Greater Lake County Y this fall.

The class is designed to teach participants proper weight training methods on Universal equipment in the YMCA H.E.A.R.T. (Health

Enhancement and Resistance Training) Room.

Participants will also be taught to design their own programs to meet their individual needs and interests.

Dodano recently moved from Champagne, where she taught similar programs in a private health club. She

recently attended and was certified at the Institute for Aerobic Research (founded by Dr. Ken Cooper).

This certification was in implementation and management of health and fitness programs. Anyone interested may contact Liz through the YMCA at (312) 623-2350.

When I think about it Tomorrow a day away?

by GLORIA DAVIS

What had happened to long range planning? This seems to be an endangered species like many other practices.

Back in my great grandmother's time many people had their whole lives planned the day they were born. Today's generation will seldom commit themselves to anything for more than a day at a time.

Grandma insisted on at least a two-year courtship and marriage was a life sentence, good bad or indifferent. If one is to believe the stats on today's marriages, one out of every two ending in divorce, Romeo and Juliet 1984 style are lucky if they make it past their honeymoon.

In fact the way that I understand today's dating game, most guys prefer to just "hang out" with a girl, seldom making a definite date to do a particular thing in case something they'd rather do pops up.

Now you can blame this all on the uncertainties of the nuclear age if you want to, but what I call "today's temporariness" is really a cop-out brought about by an unwillingness to make a decision and to be held accountable for that decision.

With this "temporariness" being a whole new concept of living, the jury is really still out as to whether or not it works better than, as well as, or not at all.

Never before in history has there been such a dividing line between the day to day living concepts of those under 30 and those that can no longer legitimately celebrate Jack Benny's famous birthday.

That's probably because the older generation (those over 30) although they were "atom bomb babies, for the most part

were raised in a two-parent family atmosphere where one mom and dad followed them through Little League, Cub Scouts, helped with their wedding plans and even often stayed together to be in-law "buttinskis" and their children's grandparents, at least until their parental feet got wet.

It's an entirely new ballgame as far as today's teens are concerned with stats showing more than half of them being raised by one parent or maybe one biological parent and several step-parents.

Is it because their growing years lacked constancy that they shy from planning on any as adults?

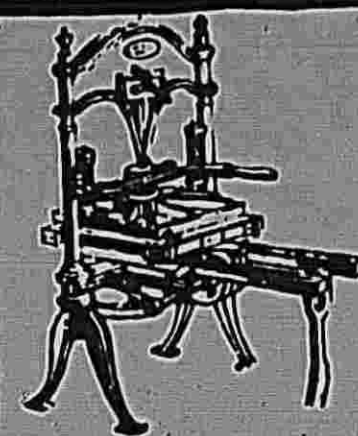

Maybe it's the old "product of your environment" syndrome wherein alcoholics spawn worse alcoholics and child abusers often become child murderers.

Like lack of sleep, improper diet and job hopping, "under 30" fickleness is bound to catch-up if continued past the Serutan age.

Those that don't buy insurance because they will "cross that bridge when, and if, damages occur," will almost inevitably suffer losses that sometimes take a lifetime to recover from.

One of the great inequities of life, that hasn't changed since way before great-great grandmother's time, is that most often experience (good or bad) is not only the best, but the only teacher we really learn anything from.

Wouldn't it be nice if our kids would stop just living for today, because tomorrow might just dawn with all its ramifications and louse-up all those "non-planners" by being "just a day away!"

Along the way with ANNIE MAE

Was it great to see those layers of blacktop going onto Lake St.. Trying to dodge those sewer and water covers was not a lot of fun!

Condolences to Jim Egam on the death of his son John Morris due to complications caused by a swimming accident.

Congrats to David O'Connell who was on the summer session dean's list at Western Illinois University in Macomb.

If Jean Rybicki's green thumb doesn't take a rest, the Antioch News will have to issue scythes at the door for people to cut their way in.

To The Editor

Sexual Abuse

Editor:

Recently, I along with other parents had to deal with very emotional feelings because of one elderly gentleman that had taken indecent liberties with our young daughter.

I write this letter to notify parents that often we stress to our children "Never to talk to, go with, or have anything to do with a stranger." But in our case it wasn't a stranger that upset our lives so much. It was your typical retired grandfather type man in our community.

He enjoyed giving the girls candy or so we thought. Our trust and our daughters trust were very misguided. Please parents talk to your children, tell them to be wary of these people. Explain to them that No One

has any right to touch them or take any liberties with them for any reason. Explain to them that they, the children, are not wrong but the other person is. That the person doing wrong needs help. The person doing wrong needs to be stopped and made sure that they are never allowed to harm anyone again.

I myself have had my emotions on edge ever since this started and its not just me and my daughter. This supposedly trusted individual has upset more than a dozen families! And it happened right here in our own nice community.

Parents please beware—I hope that this letter will help at least one parent or child to understand and try to stop this.

The giant hybiscus that she raised from one seed is about to take over!

Anyone wanting a wardrobe change not included in their budget should really take a look at the "finds" available in Antioch's two resale shops.

Vogue magazine is featuring an oversized pin-striped slack suit for women that looks exactly like some to be found in the men's department of these shops.

Find one where the pants fit and the jacket's lapels are not too wide and you're in. The length doesn't make any difference since Vogue shows them cut off at calf or tea-length to be worn with opaque stockings and pumps.

It's great to see that Great American Federal Savings and Loan is again rewarding the high school athlete of the week.

I think one would be hard put to find a town where the businesses back the local schools and organizations more than they do in Antioch!

Wedding anniversary congrats are due Marge and Don Gaa.

You know how old Annie Mae just loves parades. Well I have two to look forward to in the next couple of months, the homecoming parade in October and the Chamber of Commerce's Christmas Parade in November!

Just shows you can never judge a book etc! The new bank dignitary in town, the State Bank's Randy Miles looks more like a tackle for the Chicago Bears than a banker!

To Lt. Tom Fisher, 100 feet in the front and 100 feet in the back in the daytime plus 10 feet to the street at night, tsk tsk!

Mike Conners has been selected for this year's Eureka College Chorale.

Jennings, Schmitz in merit competition

Ted Jennings and Sherry Schmitz have been named semifinalists in the 1985 National Merit Scholarship Competition. Both are seniors at Antioch Community High School this year.

Jennings is the son of Alfred and JoAnn Jennings of Antioch and Schmitz's parents are Richard and Donna Schmitz of Lindenhurst.

Jennings and Schmitz were named semifinalists based on their scores in the October, 1983 administration of the Preliminary Scholastic Aptitude Test at Antioch Community High School and are among 15,000 semifinalists named across the country. Over one million juniors entered the competition.

To be considered for the merit scholarship, these semifinalists must become finalists by documenting high academic performance through high school receiving the recommendation and endorsement of their high school principal

and perform successfully on the Scholastic Aptitude Test. The National Merit Scholarship Corp. is a not-for-profit organization whose activities are financed by over 600 independent sponsors, without federal or state funds.

Schedule nursing programs

The Lake County Health Dept. Nursing Division offers several programs at no charge to eligible Lake County residents.

Child Health Conferences, or Well-Baby Clinics, are held each month in Zion, North Chicago, Round Lake and Waukegan. Parents who wish to bring their children must call (312) 689-6715 for an appointment.

The Prenatal Clinic offers medical care and health education during pregnancy and delivery to qualified low-income women. For an appointment call (312) 689-6715.

Health Systems Agency to review applications

The Health Systems Agency for Kane, Lake and McHenry Counties, Inc. (HSA) announces its regular Board of Directors meeting, beginning at 7:30 p.m. on Thursday, Sept. 20.

The meeting will be held at the HSA office, 188 S. Northwest Hwy, Cary.

The agenda for the evening includes the review

and consideration of two Certificate of Need applications: the first being Project No. 84-072, Bayside Terrace in Waukegan which is proposing to construct a 49 intermediate bed addition to its existing 119 bed facility; and the second is Project No. 84-082, Highland Park Hospital's discontinuation of 46 Medical/Surgical beds to

establish a 40 bed skilled care facility.

Information on other agenda items can be obtained by calling the office prior to the meeting. All agency meetings are open to the public.

Additional information may be obtained by contacting the office at (312) 639-0061.

Teachers to attend confab

Teachers and administrators from the majority of Lake County public and non-public schools will attend the Sixth Annual Lake County Staff Development Conference sponsored by the Office of the Regional Superintendent of Schools.

The conference, "Searching For Excellence in Education," will be held at Six Flags Great American in Gurnee on Sept. 18 and 19 in the three auditoriums.

This is the sixth year Lake County educators have gathered at Great America to hear new and old ideas by nationally recognized professionals.

The conference was scheduled as a result of the positive responses from the

over 5,500 educators who attended the last year's similar event. The conference will feature speakers of national acclaim.

The conference topics will be "Characteristics of Effective Teachers" by Dr. Gordon Cawelti, "Teaching for Intelligent Behavior" by Dr. Arthur Costa, "Pictures in Your Head" by Dr. William Glasser, "Education: It's All in Your Head" by Virginia Roth and "Education: The Humorous Perspective" by Walvelength.

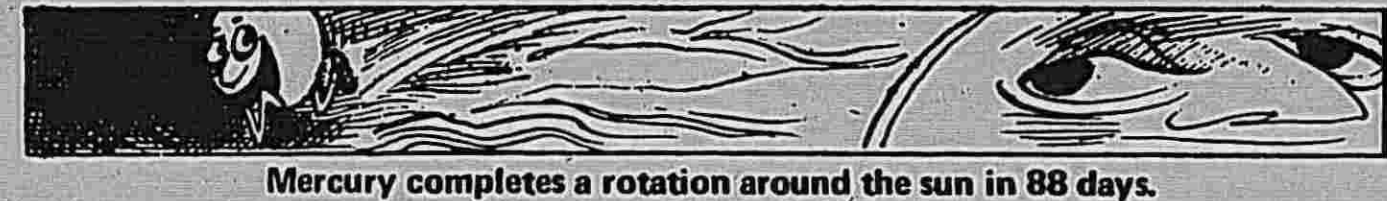

The intent of the day is to present new and old ideas by nationally recognized professionals in a motivational manner. The day is meant to be general in

nature, but to include substance and some ideas to take back to use tomorrow.

Staff development is meant to be an activity that enables teachers to do a better job in the classroom which will result in growth of the students. In addition it is a learning experience for adults which increases productivity and enhances the quality of life.

Special features of this year's conference include an educational material exhibit with a tent full of educational materials on display and, weather permitting, aerobic dancing for all those who want to participate.

"Behold Hawaii" will be shown in the Pictorium, the world's largest motion picture experience.

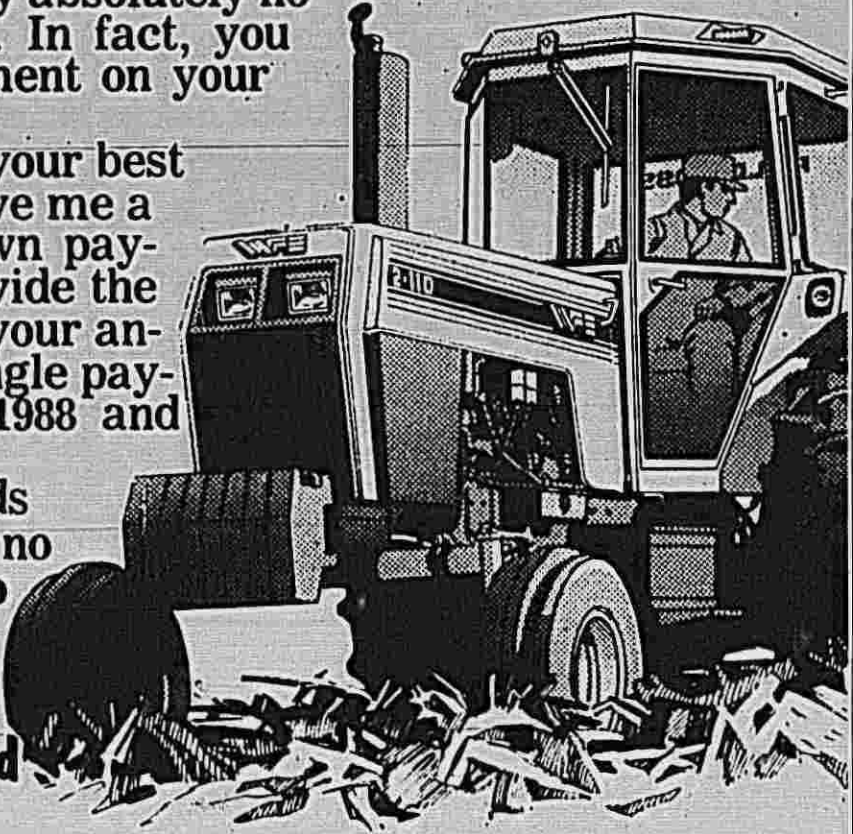

Mercury completes a rotation around the sun in 88 days.

NO INTEREST NO ASTERISK NO KIDDING

You can finance a White Farm Field Boss tractor of 85 or more horsepower over 3 years—until 1988—and pay absolutely no interest charges. No catch. In fact, you won't even make a payment on your tractor until 1986.

Come in and negotiate your best deal on a new tractor. Give me a trade-in or the usual down payment and you're set. Divide the balance by three. That's your annual payment. Make a single payment in 1986, 1987 and 1988 and you're done. No interest. No waiting. This offer ends on October 31st. There's no better tractor. There's no better rate. And we're not kidding.

Pedersen in concert at his alma mater

Lloyd Pedersen, multi-talented graduate of Antioch Community High School, will be "Coming Home" when he steps on stage next Friday and Saturday nights, Sept. 28 and 29.

"This is where it all started," said Lloyd, "in a show called 'Arsenic and Old Lace,' I played a cop."

This time on the Antioch High School stage he will sing.

"I doubt it if you can see or hear a more exciting performer!" said Ken Smouse, Lloyd's high school director and, now, producer of the show "Lloyd Pedersen In Concert."

Backing Pedersen will be

the Music Corporation Orchestra featuring Bruce May on guitar, Sara Cameron-Brown on keyboard, vocalist Eleanor Edwards, and Jim Beverly on drums.

The Music Corporation is a show band which plays music in all styles, 20's to 80's. They will not only back up Lloyd's vocals but will also be featured in their own spots.

Another highlight of the show will be a group of dancers formed from among the many talented young ladies of Antioch Community High School. They will perform with Lloyd on two production numbers, "Maniac" from "Flashdance" and "One"

from "A Chorus Line." The girls will be introduced in the next news release.

"Lloyd Pedersen in Concert" tickets can be reserved by calling (312) 395-3613 or, depending on pre-show sale, they may be available at the door.

Price for the tickets is \$6 with proceeds benefitting The Fool's Players, a non-profit theatre group designed to provide advanced acting experience for young actors. Curtain time for each show is 8 p.m.

"Consistency is the last refuge of the unimaginative."
Oscar Wilde

PM&L musical

'Oliver' opens Sept. 21

The PM&L Theatre of Antioch is proud to present Oliver by Lionel Bart. The wonderful musical production opens Sept. 21 and runs weekends through Oct. 6, at 8:30 p.m.

There is a special Sunday matinee Sept. 30, at 2:30 p.m. For ticket reservations and information, call (312) 395-3055. Dinner theatre packages are available through the Village Pub at (312) 395-3373 and at Struggles Restaurant, (312) 395-9400 in Antioch.

As is the custom at PM&L, opening night performances, the Sept. 21 audience will be

invited to join the cast and crew following the show for the traditional champagne and hors d'uvre celebration so make your plans early to join in the fun.

The PM&L Theatre is located at 877 Main St. in downtown Antioch. Tickets for "Oliver" are only \$5 with discounts for students and senior citizens and can be purchased at the door prior to performance.

Money saving season-ticket passes for Season 24 may also be purchased in the theatre lobby.

Antique Show at Lakehurst

Antique dealers from throughout the midwest will bring an outstanding collection of antiques to Lakehurst Mall for the Antique Show and Sale, Thursday through Sunday, Sept. 20-23.

The show coordinator,

Joyce Ayers of Downers Grove, boasts of a show that will present an interesting variety of antiques and collectibles including finely crafted furniture, glassware, china, jewelry and other nostalgic memorabilia.

Visit this four day show at Lakehurst Mall located at Belvidere (Rte. 120) and Waukegan (Rte. 43) Rds. in Waukegan, during all mall hours; Weekdays 10 a.m.-9 p.m., Saturday, 10 a.m.-5:30 p.m., Sunday, noon-5 p.m.

Fete senior volunteers

The Retired Senior Volunteer Program of Lake County's Fourth Annual Volunteer Luncheon was held Sept. 12 at the Swedish Glee Club in Waukegan. The 126 RSVP volunteers received recognition for years of service and special honors for the 1983-84 year in five basic human need categories.

The top volunteer award was given to Adeline Walther of Waukegan for the most hours of service. Top basic human need volunteers were: Adeline Walther, health care; Stella Potter, knowledge and skills; Mae Klass, housing/historical development; Tony Merlock, community services and Loretta Edwards for criminal justice.

This year RSVP also had volunteers vote for a super station. Waukegan Park Dist.'s Older Adult Program at Lilac Cottage received that honor.

Changes for RSVP of Lake

County were also announced. Beginning Oct. 1 the Lake County Community Action Project will become the local sponsor for the program. RSVP Program Assistant Cathy Gates was named as new director for the program.

The Retired Senior Volunteer Program of Lake County is an ACTION Older Adults program that encourages retired seniors, age 60 and over, in their efforts to serve non-profit organizations and agencies in Lake County.

ACHS WINS IN FIELD HOCKEY — Antioch High School's varsity field hockey team won its first game of the season against Elgin Academy, 2-0. — Photo by Steve Young.

ACHS field hockey team wins 1st game

On Wednesday, Sept. 12, the Antioch High School varsity field hockey team won its first game of the season, defeating Elgin Academy 2-0. Caroline Brown scored an unassisted goal in the first half and Cherri Terry scored in the second.

Fine play by the defensive

team, especially Jennifer Flood and Shelly Pechulis, kept Elgin from scoring. The victory was definitely a team effort with everyone contributing.

Members of the team are Co-Captains Gina Allen and Tracy Goodyear; Shana Adellizi, Shelly Pechulis,

Laura Rymut, Cindy Berd, Caroline Brown, Cheryl Becker, Cindy Darland, Kris Christensen, Sabina Hauck, Cherri Terry, Jennifer Flood, Wendy Wells and Cindy Lessard.

The next home game will be Monday, Oct. 1, against a strong Lake Forest team.

Set positive weight program

Sept. 19 will be the deadline for registration for the "Power of Positive Eating" Weight Loss/Control Program to begin Wednesday, Sept. 26 at St. Therese Hospital, Waukegan.

The 10-session program is scheduled to meet from 6:30 to 8 p.m. on Wednesdays at the hospital.

Participants will learn: How to set realistic goals for

losing weight; Successful ways to modify eating habits; techniques designed not only to help you lose weight, but keep those extra pounds from returning.

Instructors are registered dietitians on staff at the hospital. Cost of the program: \$55 each or \$100 for couples for the complete program.

Also, starting the same day, but meeting from 4 - 5

p.m. is a special 10-session program "For Teens Only," designed for those ages 13 to 18.

Cost is \$35 each of which \$5 is refundable providing homework assignments are completed as required.

Deadline for registration for both programs is Sept. 19. Call (312) 578-2017 to register or obtain more information.

Antioch looks ahead to physical Libertyville

by MIKE DOMINICK

Antioch High School varsity football team is looking to improve on their unbeaten, 2-0 record when they play Libertyville, Sept. 22, at Antioch.

"We feel it is very important to start the season off with a couple of wins," Antioch varsity coach Steve Wapon said.

"Libertyville is a tough football team with many fine players that can hurt you at any time," Wapon added.

Libertyville is taunting a fine defense that worries Wapon somewhat. "Their defense is one of the strongest ones in the conference and they should be ready for us," Wapon said.

Antioch improved their

record to 2-0, by hammering Lake Forest 27-6. Antioch jumped to a 20-0 at halftime and never looked back.

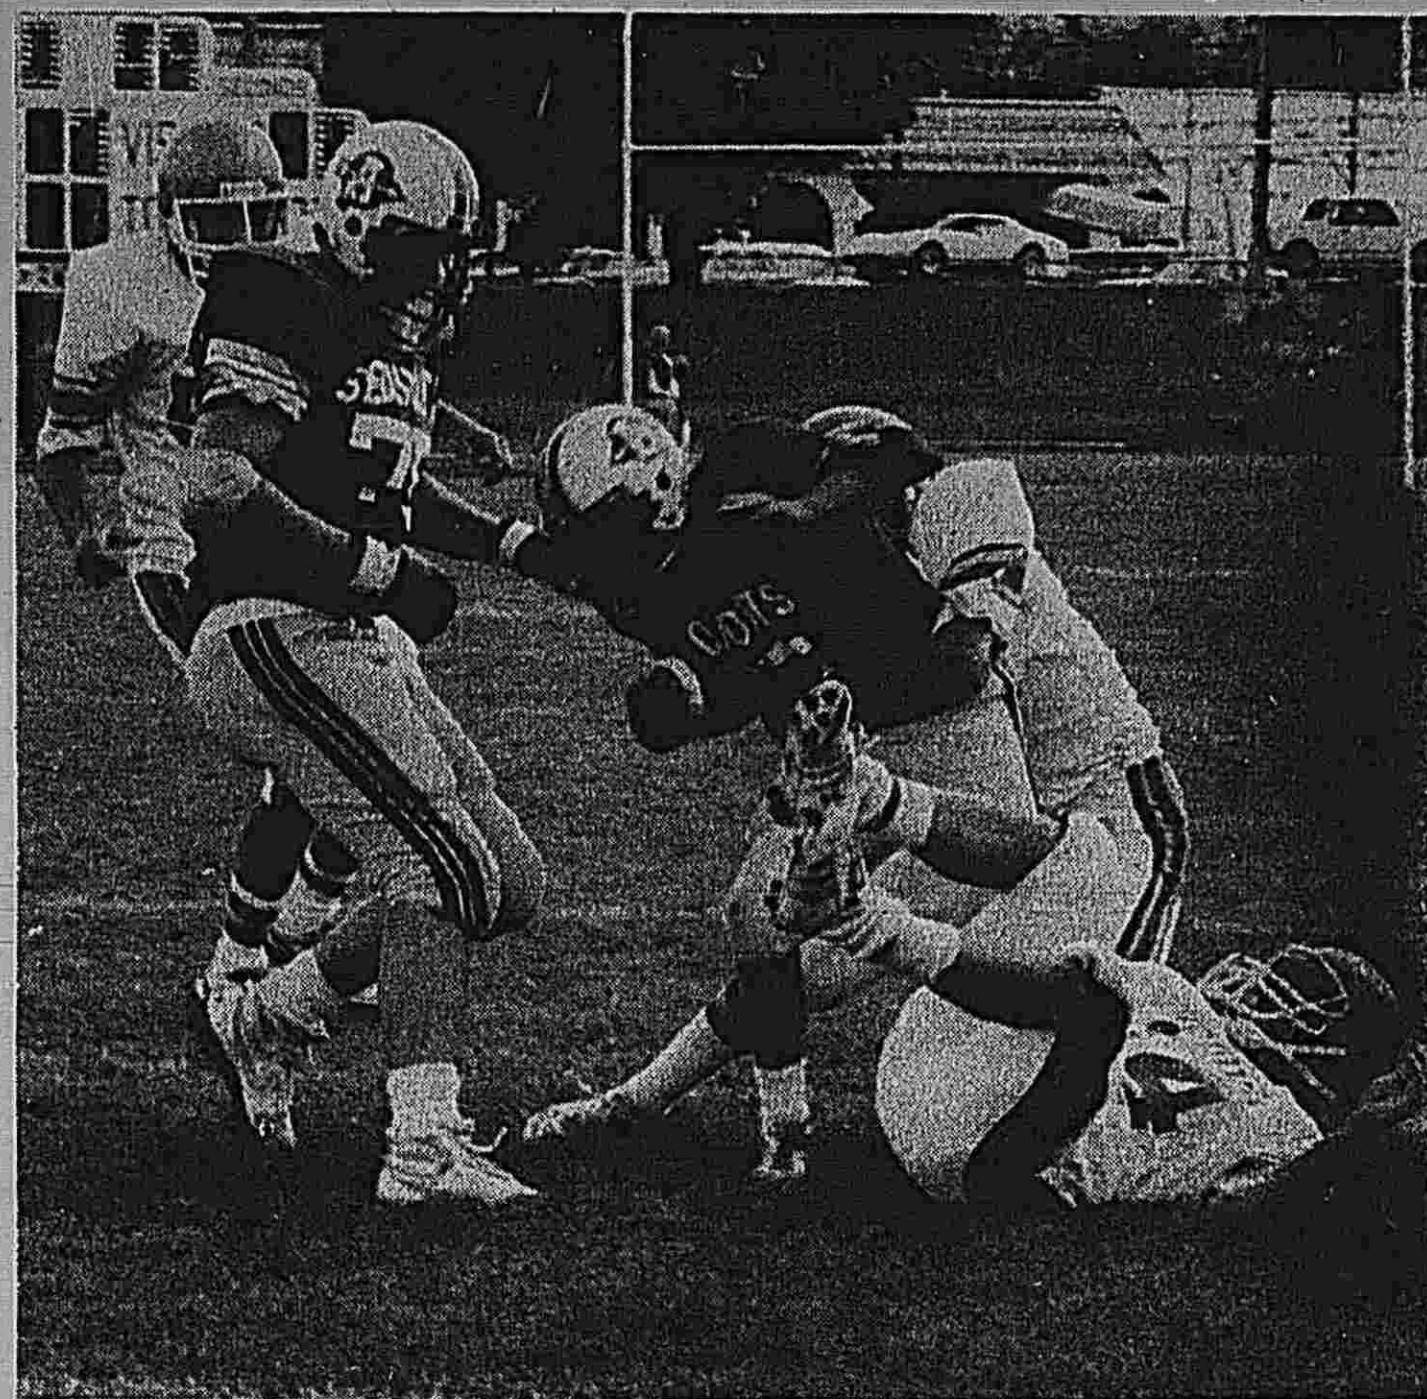

"We can see improvement in our team every week, and as long as that continues we will win a lot of games," Wapon said.

Mike Dydo lead the Sequoits offense gaining 82 yards on 23 carries. "Dydo played a fine game for us and we expect him to keep up the good work," Wapon said.

"As the season progresses we hope that we can improve enough to win the conference," Wapon added.

The Sequoits suffered no serious injuries in Lake Forest game and should be healthy for next week's game.

Babcox to chair St. Jude ride

Riders and sponsors for the Sept. 22 St. Jude Children's Research Hospital Wheels for Life Bike-A-Thon are being sought and Lake County Sheriff Robert H. Babcox is now asking citizens to back their efforts.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer that has become so important to children all over the world," said Babcox who is the chairman of the event.

"We'll be showing that we care about children by helping this cause," Babcox said.

"Please support your rider with a generous pledge, and then help them get the funds to us as soon as the ride is over," he added.

"Each rider will be given a lap card when they register at the Grandwood Park Community House, Hutching Road, on the 22nd, Babcox said.

"Every time they ride through the check point(s),

we'll initial the card. At the end of the ride, we'll check it and sign it to show that the rider earned what the sponsor pledged," Riders will then return to the sponsors to collect the pledge.

"We'll also be giving them a hospital bracelet saying 'I'm riding for Terry' to wear during the ride. I'm sure most of them will still be wearing them while they make their collections."

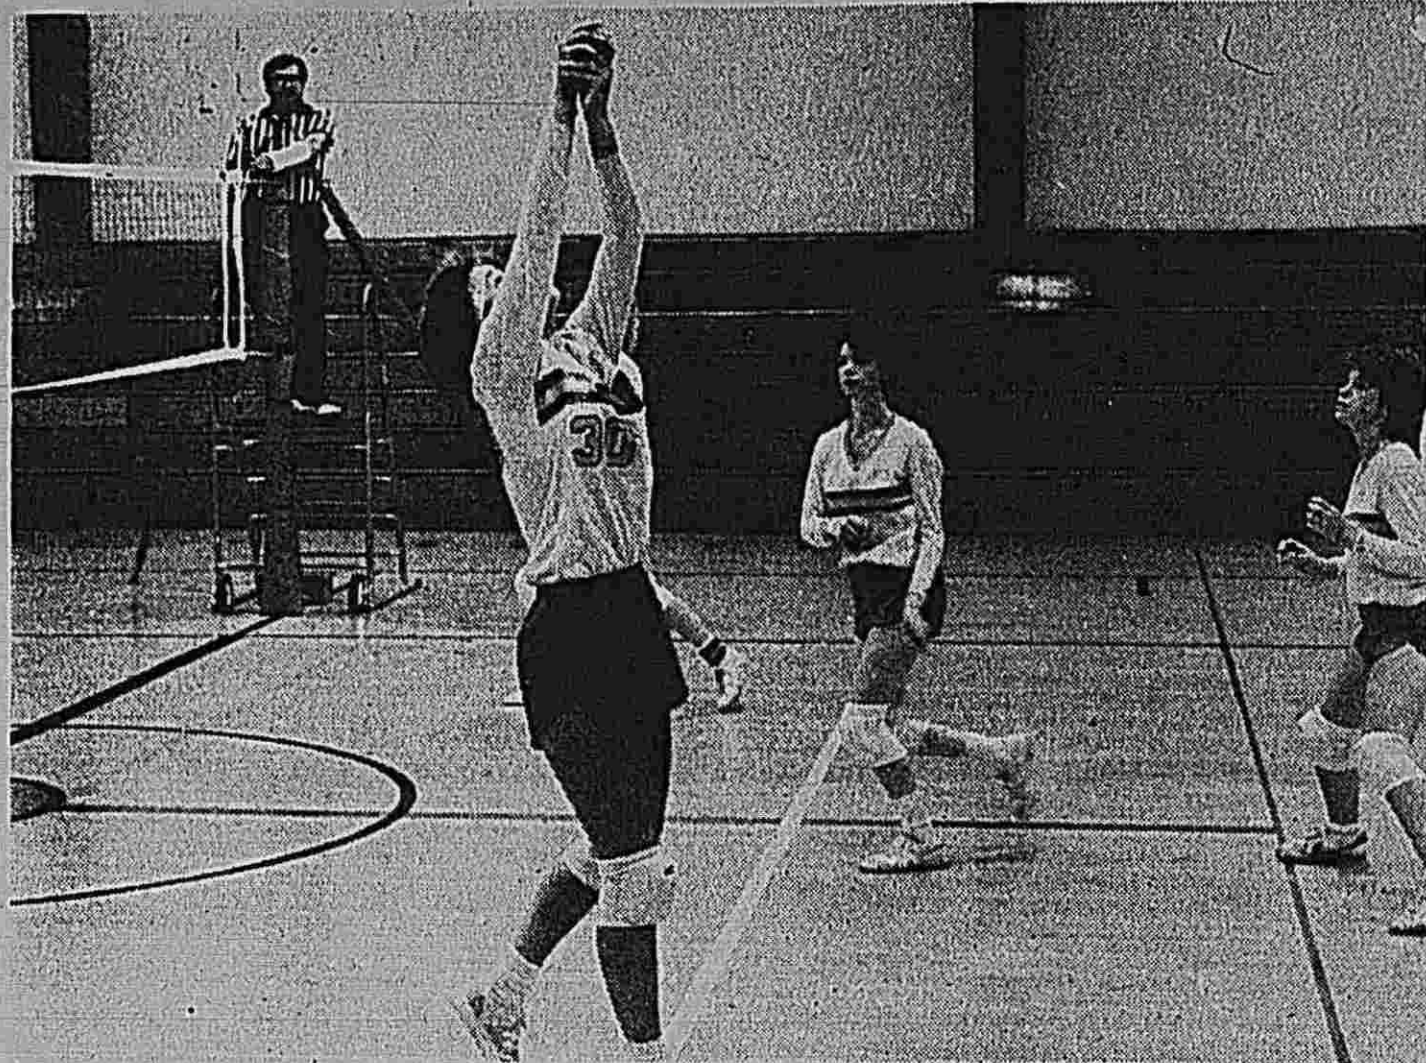

Terry is a St. Jude patient who represents all victims of the illnesses under study at

St. Jude Children's Research Hospital.

The ride starts at the Community House at 10 a.m. and will be routed through Grandwood Park.

"If you have not been asked to sponsor a rider, please call (312) 689-6300 and ask for the special services division at the sheriff's department," Babcox said.

Riders can still obtain sponsor/registration forms at the J & L One Stop Mart Rte. 132 and Oakwood Dr. Grandwood Park.

Blood Center Slates Drives

Employees of American Critical Care are invited to participate in an employee blood drive scheduled for Wednesday, Sept. 19.

Diane Grandlienard, chairperson of the drive, urges all employees to donate between 1 and 4 p.m. at the company offices, 1600

W. Waukegan Rd., Waukegan.

To schedule an appointment to donate, call Grandlienard at (312) 473-3000.

All eligible donors are encouraged to help maintain an adequate blood supply in the neighboring hospitals by

donating blood at the College of Lake County on Wednesday, Sept. 26.

The drive will be held in the Orange Court of the college, 19351 W. Washington Blvd., Grayslake.

Cardiologist Talk

Leon Resnekov, M.D., who is Frederick H. Rawson Professor of Medicine and Director of Clinical Programs of the Dept. of Medicine at the University of Chicago, will be the speaker for the 28th annual Boyd Memorial Lecture at Highland Park Hospital next Tuesday, Sept. 11.

Title of his talk will be "Acute Myocardial Ischemia—Intervention and Management in the First Week." The Boyd Memorial Lecture, which annually features a nationally-known specialist in the treatment of heart disease, is sponsored by the Doctor's Memorial Fund of the Highland Park Hospital Medical Staff, the Lake County Medical Society and the Heart Assn. of Lake County. Physicians on the medical staff of the hospital, as well as other interested physicians, are invited to attend.

Dr. Resnekov will discuss the role of acute intervention therapy in the management of evolving myocardial infarction. The event will begin with cocktails and dinner at 6 p.m. in the Education Center at Highland Park Hospital, 718 Glenview Ave., Highland Park. The lecture will begin at 8 p.m.

Plan poster contest

The Lake County Juvenile Officers Assn. announces a poster contest for fourth, fifth and sixth grade students throughout Lake County.

Posters addressing the theme "Cops Helping Kids" will be judged by officers sponsoring the local contests in their communities during the week of Oct. 15-19.

Winners of local contests will advance to the final judging to be held at Lakehurst Mall in Waukegan on Nov. 3.

The creators of the top three posters in the county will receive a home computer, Schwinn bicycle and portable stereo radio, respectively.

Local first, second and third place finisher will receive ribbons.

All entrants in the contest

will receive certificates of appreciation from the Lake County Juvenile Officers Assn.

The Lake County Juvenile Officers Assn. is an organization made up of social workers, court services personnel, and police officers concerned with the welfare of children.

Through the poster contest, the association hopes to develop a positive image for police services, and a positive relationship between youth and local officers.

Sponsoring police departments will be contacting local schools to ask for cooperation with this project. To find out if a local contest is planned in the community, contact the police department.

Waste Committee approves Phase 2

Phase II of the Lake County Solid Waste Advisory Committee's (SWAC) study of a countywide solid waste disposal and energy recovery system was approved by the Lake County Board last month.

A recycling seminar will be the kick-off event this fall for municipalities and other groups interested in participating in pilot recycling programs.

The panel discussion and question and answer session, sponsored by the SWAC, will take place at 7:30 p.m. on Thursday, Oct. 4, at the Libertyville Township Hall, 359 Merrill Court, Libertyville.

The committee's objective is to educate the public, and provide technical assistance to municipalities interested in starting recycling programs.

In a survey, more than half of the county's municipalities indicated an interest in starting local recycling programs.

Representatives from area recycling centers and persons knowledgeable about the markets for recycled goods are scheduled to speak at the seminar.

Included on the panel are representatives from North Shore Ecology Center, Zion Environmental Concerns Commission, McHenry County Defenders, Anchor Glass, Container Corp. of America, and Diamond Scrap Co.

The discussion will include a summary of the various types of recycling programs, siting of recycling centers, manpower requirements, market availability and material pricing, processing and quality of recycled materials, promotion, and conservation of energy and natural resources using recycled materials.

For more information call Don Jansky or Jeanne Becker at the Dept. of Planning, Zoning and Environmental Quality (312) 689-6350.

Navy Band to perform at Allendale School

The renowned Great Lakes Naval Training Center Band will perform on the Allendale campus from 10 to 10:30 a.m. on Saturday, Sept. 22.

Their performance is a first at the Allendale Assn., and Robert Holway, executive director, looks forward to greeting these very accomplished and famous musicians. The visit by the band will be the first in a series of special activities to take place on the Allendale

campus on Sept. 22.

This date is the second anniversary of the opening the Edward L. Bradley Youth and Family Guidance/Counseling Center, and Day Education Treatment Program/Stepping Stone Program.

The day's activities will include exhibits by the Allendale Assn., the McHenry County Youth Service, and the Community Youth Network; all groups that are

providing services on a similar basis.

The highlight of the day's activities will be a Walkathon which will help familiarize people with the services and events of the Outpatient Clinic.

Those interested in participating in the walkathon should contact Irene at (312) 356-3322.

For further information, contact Wayne Parthun at (312) 356-2351 or Steve Julius at (312) 356-3322.

Red Cross to hold annual dinner dance

The Lake County District of the American Red Cross will be holding its fourth annual dinner dance on Saturday, Oct. 13 at the Holiday Inn in Mundelein.

This annual fund-raising event will begin with cocktails and a full-course meal followed by the big band sounds of the Albert Nye Orchestra.

The 10-piece Albert Nye Orchestra specializes in 1940's-style swing music and is especially fine for dancing. Prizes donated by local merchants will be awarded.

Tickets for both the dinner and the dance are \$25 per person. For people only interested in dancing, tickets are \$10 per couple.

Tickets are available from the Red Cross office in Mundelein at 535 N. Lake St. or from any Red Cross board member. For the name of the board member in the area, call (312) 949-1000.

The Red Cross receives a majority of its funds from the United Way and is grateful for this support.

In spite of these efforts, the United Way is unable to meet the total budgetary needs of the Red Cross. Additional money must be raised through events such as the Dinner Dance.

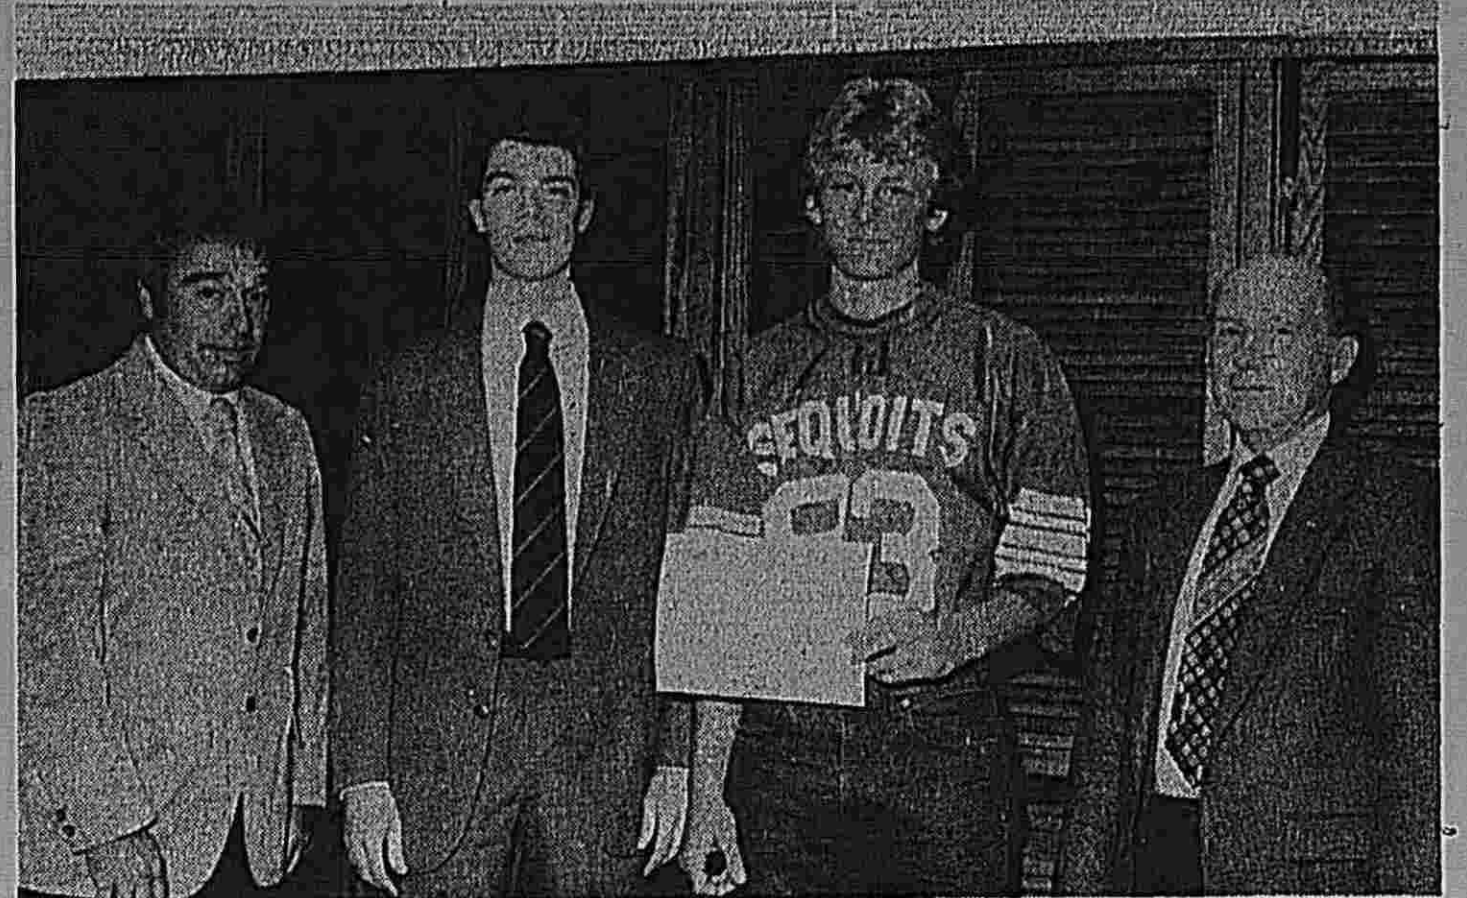

Red Cross programs aided are first aid, CPR and water safety instruction; blood services; emergency disaster assistance; and aid to military personnel and their families.

This year's dinner dance is being organized by Red Cross volunteers Phil Vetrone, John Rubich and Clarence Gaines of North Chicago and Florence Hansen of Waukegan.

"Everything is already in place for a very entertaining evening", reports Vetrone. "Besides supporting Lake County communities through the Red Cross, everyone is guaranteed to have a great time."

For more information on the Red Cross Dinner Dance, call the Red Cross office at (312) 949-1000.

The American Red Cross is a member of the United Way of Lake County.

Crime Stoppers search on for stereo thieves

The theft of car stereos, radar detectors, and personal items from vehicles has been a continuing problem that has existed throughout Lake County for the last few years.

No one area of the county has been exempt and every police jurisdiction has been plagued by this problem of citizens reporting the theft of their car stereo from their vehicles.

Since the beginning of 1984, there has been approximately \$250,000 worth of stereos taken out of cars throughout the county, and if we take into consideration the damage done to the dashboards of the vehicle while the stereo is removed, the total cost soars to an almost unbelievable figure.

Lake County Crime Stoppers wants to put a stop to this prevalent crime by taking information on the people who are stealing the stereos and also the people who are buying the stolen stereos. That information

will be passed on to the local police departments for investigation.

Crime Stoppers will pay up to \$1,000 for information leading to the arrest and indictment of the persons responsible for these crimes or any other felony crime or felony fugitive.

Contact Lake County Crime Stoppers at (312) 662-2222. If it is a long distance call, call collect remember. Crime Stoppers wants information, not your name.

Halfway House plans Oktoberfest

Young Men's Fellowship Halfway House, serving Lake and Cook Counties, will have its annual fund raiser, Oktoberfest, on Saturday, Sept. 22 at the Northern Chalet, 1760 Milwaukee Ave., Rtes. 21 and 137, Libertyville.

Cocktails (cash bar) will begin at 6 p.m. with a family-style Bavarian dinner served at 7:30 p.m.

Strolling musicians, music for dancing and a German floor show will be provided by Dick Thernl and "The Alpiners".

Free hearing tests at Antioch V.F.W.

Dear Friend:
We would like to invite you to attend a Free Confidential Hearing Consultation to be held from 10 a.m. to 4 p.m. on Monday and Tuesday, Sept. 17 and 18 at Antioch V.F.W. Memorial Home.

This Special Hearing Consultation will be given by Mr. Walter Peterson, a certified Hearing Aid Audiologist with the American Hearing Aid Company.

This Hearing Consultation has been set because many people suspect they are losing their ability to understand conversation, and have not sought help. They know they can hear the words but they cannot always understand what was said and must often ask people to repeat themselves.

At this Hearing Consultation, you will have an opportunity to:

- have your hearing tested free with the latest electronic equipment;
- have a live demonstration of how your hearing and understanding of words can be improved;

-examine some of the latest hearing devices built to the standards of the Food and Drug Administration;

-see a hearing instrument so tiny that it fits ALL-IN-THE-EAR.

If you hear but do not always understand what people are saying, the American Hearing Aid Co. says, "Now, at last, there is hope." Most hearing problems can be helped simply and inconspicuously.

A hearing problem is a family affair. Be sure to bring a family member or a friend—they know about your problem and will be able to help in your evaluation. Remember, a hearing problem itself is more conspicuous than a hearing aid.

The confidential Hearing Consultation will be given by appointment. To avoid waiting, please call the American Hearing Aid Company as soon as possible to assure the date and time convenient for you. Call (312) 662-4700.

Sincerely,
William A. LaPietra
